Dear Friend:

Live and Let Live Farm (LLLF) Rescue is an animal rehabilitation rescue shelter and sanctuary for abused, neglected and unwanted animals; mostly horses. LLLF is a volunteer organization with no fulltime paid staff.

On average, there are over 60 horses and a variety of other agricultural and domesticated animals being cared for at any given time. It is challenging and rewarding work to help so many majestic animals. Past year adoptions average over 50 horses along with many other animals; but during these challenging economic times, adoptions have been slowed and our need for help has increased. We'd like to ask for your help by becoming a sponsor or donor of our Hoedown Jamboree.

With contributions and sponsorship support from community members like you, we are able to provide safe haven sheltering and wellness and medical assistance to abandoned, abused and displaced animals. Our team of volunteers enhances the lives of animals through our effective rescue efforts, education, adoptions and onsite holistic care vetting. Without your support, LLLF's rescues and programming would diminish.

Please consider participating in our Hoedown Jamboree in any of the following ways:

- **Event Sponsorship** -- Sponsorship levels range from \$500 to \$5,000. Please see the attached page for details.
- **Contribute** -- Contributions in support of the event can be mailed directly to LLLF or donated by debit or credit card through the LLLF website (PayPal account).
- **Gift In-Kind** -- Products and services are needed for the event's live auction and game boards. Please contact the farm.
- **Event Attendance** -- Tickets are available in advance for \$50 per person.

If you don't see a sponsorship level that suites you, please call me; and we can create a custom corporate or personal sponsorship package for you.

I look forward to hearing from you.

Respectfully yours,

Teresa Paradis

Live and Let Live Farm Rescue Community Outreach Programs

Internships Available

Come help and learn the healing and/or training process of some of our needy companion animals that come our way.

Sponsorship Program

Some animals need life time care while others just need sponsorship help through their rehabilitation and recovery program before they are adopted. If you pick a horse to sponsor on a monthly basis, you'll receive a photo of, and get updated information on it.

Foster Program

You can take the horse home for a trial period of 30 days, before you commit to the adoption. The horse still belongs to Live and Let Live Farm, but you provide for all medical, dental, farrier and feed needs.

Foster Pasture

This program is for people who aren't looking to adopt, but have extra pasture space during the summer or need a companion horse for a short time until you find the horse you are looking for.

Co-Ownership Program

This program gives basic ownership of a horse/pony with 1 or 2 planned day(s) per week. Ideal for the weekend enthusiast who doesn't have the time, money or resources for total ownership.

Group Sponsorship Program

Your group can sponsor an animal friend for little as 50 cents to \$1 a day. The money will be used to provide food, veterinary visits, and farrier visits to your sponsored horse or pony.

Sponsor to Adopt

This program is generally up to a 30-day sponsorship (which may be extended in 30-day increments, with discretion of the Executive Director). A sponsor to adopt gives a potential adopter up to 30 days to interact and build a relationship with the potential adoptee.

For additional information, requirements and standards, please consult our web page or contact LLLF at 603-798-5615.

The Live and Let Farm Rescue is a tax-exempt, 501©3 corporation registered with the New Hampshire Attorney General Charitable Trust Bureau. Its Federal ID is #52-2381215
